PART I GENERAL PROXY MATERIALS

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation by and on behalf of the management of the Corporation of proxies to be used at the Meeting to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment(s) or postponement(s) thereof. In addition to solicitation by mail, certain officers, directors, employees and service providers of the Corporation may solicit proxies by telephone, electronic mail, telecopier or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of solicitation by management will be borne directly by the Corporation. The head office of the Corporation is located at Suite 1740, 121 King Street West, Toronto, Ontario, M5H 3T9.

ADVICE TO BENEFICIAL HOLDERS

The information set forth in this section is of significant importance to many public Shareholders as a substantial number of the public Shareholders do not hold Common Shares in their own names. Shareholders who do not hold their Common Shares in their own names (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of the shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting Common Shares for their clients. The directors and officers of the Corporation may not know for whose benefit the Common Shares registered in the name of a broker or intermediary are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholders how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically applies a decal to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy with a Broadridge decal on it cannot use that proxy to vote shares directly at the Meeting. **The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.**

Since the Corporation may not have access to the names of its non-registered Shareholders, if a Beneficial Shareholder attends the Meeting, the Corporation will have no record of the Beneficial Shareholder's shareholdings or of its

entitlement to vote unless the Beneficial Shareholder's nominee has appointed the Beneficial Shareholder as proxyholder. Therefore, a Beneficial Shareholder who wishes to vote in person at the Meeting must insert its own name in the space provided on the voting instruction form sent to the Beneficial Shareholder by its nominee, and sign and return the voting instruction form by following the signing and returning instructions provided by its nominee. By doing so, the Beneficial Shareholder will be instructing its nominee to appoint the Beneficial Shareholder as proxyholder. The Beneficial Shareholder should not otherwise complete the voting instruction form as its vote will be taken at the Meeting.

ADVICE TO REGISTERED HOLDERS

A registered holder of Common Shares can vote their Common Shares in person at the Meeting or by proxy. A registered holder who does not wish to attend the Meeting or does not wish to vote in person should submit their form of proxy. Registered holders who wish to vote in person at the Meeting are encouraged to vote by submitting a proxy. Voting by proxy will not prevent a registered holder from voting in person if they attend the Meeting and duly revoke their previously granted proxy, but will ensure that their vote is counted if they are unable to attend the Meeting.

The Common Shares represented by the accompanying form of proxy (if the same is properly executed in favour of Geoffrey R. Bedford or Alexander D. Caldwell, the management nominees, and is received at the offices of Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, Canada, M5J 2Y1 or via internet at www.investorvote.com or by telephone at the toll-free number printed on the form of proxy, **by not later than 4:00 p.m. (Toronto time) on Thursday, June 21, 2018** or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays or holidays, preceding the time of such adjourned Meeting, or in either case by such later date and time as the Board may determine in its sole discretion) will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted in accordance with the specification made. **In the absence of such a specification, such Common Shares will be voted in favour of such matter.**

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters set forth in the accompanying notice of Meeting, or all other business or matters that may properly come before the Meeting. At the date hereof, management of the Corporation knows of no such amendments, variations or other business or matters to come before the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy are a director and officer of the Corporation and an officer of the Corporation, respectively. **A shareholder desiring to appoint some other person to represent him or her at the Meeting may do so either by inserting such person's name in the blank space provided in the accompanying form of proxy and striking out the names of the management nominees or by duly completing another proper form of proxy and, in either case, depositing the completed proxy at the offices of the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, Canada, M5J 2Y1 or via internet at www.investorvote.com or by telephone at the toll-free number printed on the form of proxy before the specified time described in the previous section.**

A Shareholder giving a proxy has the power to revoke it. Such revocation may be made by the Shareholder attending the Meeting by fully executing another form of proxy bearing a later date and duly depositing the same before the specified time, or by written instrument revoking such proxy duly executed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited either at the head office of the Corporation or its registrar and transfer agent at any time up to and including the last Business Day preceding the date of the Meeting or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof or in any other manner permitted by law. Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Corporation consists of an unlimited number of preferred shares and an unlimited number of Common Shares without nominal or par value, of which 39,904,477 Common Shares were issued and outstanding as at the date of this Information Circular.

Each Shareholder is entitled to one vote for each Common Share shown as registered in his or her name on the list of Shareholders, which will be available for inspection at the Meeting. The directors have fixed May 18, 2018 as the record date for the Meeting. Accordingly, pursuant to the OBCA, only Shareholders of record as at the close of business on May 18, 2018 are entitled to receive notice of and to attend and vote at the Meeting.

To the knowledge of the directors and officers of the Corporation, as of the date of this Information Circular, no person beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying more than 10% of the votes attached to Common Shares, except for the following:

Name	Number of Common Shares Beneficially Owned Directly or Indirectly	Percentage of Common Shares Held
OPPS NPM S.a.r.l	25,781,100	64.6%

PART II MATTERS TO BE ACTED UPON

1. ELECTION OF DIRECTORS

Directors of the Corporation are elected annually by the Shareholders and will hold office until the next annual general meeting of shareholders. The Articles of the Corporation provide that the number of directors to be elected shall be a minimum of three and a maximum of 15. A Board of nine directors is to be elected at the Meeting.

It is intended that the persons named in the accompanying form of proxy will vote the Common Shares represented thereby in favour of electing as directors the nominees named below. Unless such authority is withheld, the Common Shares represented by the accompanying form of proxy will be voted in favour of the nominees set out below.

The term of office of all present directors of the Corporation expires at the Meeting. Management has been informed by each nominee that he/she is willing to stand for election or re-election, as applicable, and serve as a director. Each of the directors will be elected on an individual basis. The information as to Common Shares beneficially owned or over which control or direction is exercised, not being within the knowledge of the Corporation, has been furnished by the respective parties.

In the absence of instructions to the contrary, the Common Shares represented by a properly executed form of proxy in favour of the persons designated by management of the Corporation will be voted FOR the election as directors of the nominees whose names are set forth below.

The Board has adopted a Majority Voting Policy which requires that any nominees who receive a greater number of votes withheld from his or her election than votes for such election, to promptly tender his or her resignation to the Board to be effective on the acceptance by the Board. Following receipt of the resignation, the Board will consider whether or not to accept the offer of resignation, and will do so absent exceptional circumstances. Within 90 days following the Meeting, the Board shall publicly disclose its decision whether or not to accept the applicable director's resignation, including the reasons for rejecting the resignation, if applicable. A director who tenders his or her resignation pursuant to this policy will not be permitted to participate in any meeting of the Board at which the resignation is considered. This policy does not apply in circumstances involving contested director elections.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Cease Trade Orders

Other than as set out below, no proposed director of the Corporation is, as at the date of this Information Circular, or was within the 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation), that:

- (a) was subject to an order that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer, or
- (b) was subject to an order that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of the preceding disclosure, an "order" means: (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for more than 30 days.

Each of Geoff Bedford and Constantine Karayannopoulos were officers or directors of Molycorp, the predecessor company to the Corporation when Molycorp's common shares were delisted from the New York Stock Exchange in connection with the Reorganization.

Bankruptcies

Other than as set out below, no proposed director of the Corporation:

- (a) is, at the date of this Information Circular, or has been within the 10 years before the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, or
- (b) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold assets of the director, executive officer or shareholder.

Each of Geoff Bedford and Constantine Karayannopoulos were directors or officers of Molycorp, the predecessor company to the Corporation, when Molycorp underwent the Reorganization.

Each of Brook Hinchman, Emily Stephens, Nicholas Basso, Edgar Lee and Aman Kumar are officers of Oaktree Capital Management L.P. ("**Oaktree Capital Management**"). A principal focus of Oaktree Capital Management's investing activities is in the debt of financially stressed or distressed companies and to take an active role in the bankruptcy process, often emerging with equity of the reorganized company. While Oaktree Capital Management does not typically become a control person of the issuer or join the board of directors of the issuer until after it has emerged from bankruptcy, Oaktree Capital Management may sign a restructuring support agreement or make arrangements with other creditors during the bankruptcy process with respect to the debt it holds.

Penalties and Sanctions

Other than as set out below, no proposed director of the Corporation has been subject to:

- (a) any penalty or sanction imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalty or sanction imposed by a court or regulatory body that would likely be considered important to a reasonable investor making an investment decision.

Each of Brook Hinchman, Emily Stephens, Nicholas Basso, Edgar Lee and Aman Kumar are officers of Oaktree Capital Management. A principal focus of Oaktree Capital Management's investing activities is in the debt of financially stressed or distressed companies and to take an active role in the bankruptcy process, often emerging with equity of the reorganized company. As such, Oaktree and its officers are often subject to litigation that arises in the ordinary course of its business of investing in distressed debt and special situation funds.

Conflicts of Interest

Certain of the directors and officers of the Corporation are also directors and officers of other companies. The directors of the Corporation are bound by the provisions of applicable corporate law to act honestly and in good faith with a view to the best interests of the Corporation and to disclose any interests, which they may have in any project or opportunity of the Corporation. If a conflict of interest arises at a meeting of the Board, any director in a conflict is required to disclose his or her interest and abstain from voting on such matter.

To the best of the Corporation's knowledge, and other than disclosed herein, there are no known existing or potential conflicts of interest among the Corporation, its promoters, directors and officers or other members of management as a result of their outside business interests except that certain of the directors and officers serve as directors and officers of other companies, and therefore it is possible that a conflict may arise between their duties to the Corporation and their duties as a director or officer of such other companies.

2. RE-APPOINTMENT OF AUDITORS

The management of the Corporation recommends the re-appointment of KPMG LLP Chartered Accountants, as auditors of the Corporation. KPMG LLP have been the auditors for the Corporation since the Corporation was incorporated in September 2017. Unless such authority is withheld, the Common Shares represented by the accompanying form of proxy will be voted in favour of the re-appointment of KPMG LLP Chartered Accountants as auditors of the Corporation to hold office until the next annual meeting of shareholders and authorizing the directors of the Corporation to fix their remuneration.

This resolution requires the approval of a simple majority of the votes cast at the Meeting, in person or by proxy, in order to be approved.

In the absence of instructions to the contrary, the Common Shares represented by a properly executed form of proxy in favour of the persons designated by management of the Corporation will be voted FOR the re-appointment of KPMG LLP Chartered Accountants as auditors of the Corporation.

PART III ADDITIONAL DISCLOSURE

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Overview

The Board, upon recommendation of the Compensation Committee, will make decisions regarding all forms of compensation, including salaries, bonuses and equity incentive compensation for the Corporation's executive officers. The Compensation Committee will make recommendations to the Board regarding compensation of the President and Chief Executive Officer and will make decisions in conjunction with feedback from the President and Chief Executive Officer regarding the compensation of the Corporation's other executive officers. The Compensation Committee, in consultation with the President and Chief Executive Officer, will also administer employee incentive compensation, including equity-based compensation plans.

Compensation Committee

The Compensation Committee is comprised of three directors, none of whom are officers of the Corporation and, as such, the Board believes that the Compensation Committee will be able to conduct its activities in an objective manner. See "*Corporate Governance – Compensation Committee*".

For additional details regarding the relevant education and experience of each member of the Compensation Committee, including the direct experience that is relevant to each committee member's responsibilities in executive compensation, see "*Directors and Executive Officers – Biographies*".

The Board has adopted a written mandate setting forth the purpose, composition, authority and responsibility of the Compensation Committee. The primary responsibilities and duties of the Compensation Committee, include, but are not limited to:

- discharging the Board's responsibilities relating to the compensation of the Corporation's executive officers;
- administering the Corporation's incentive compensation and equity-based compensation plans; and
- assisting the Board with respect to management succession and development.

The Compensation Committee reviews and makes recommendations to the Board on an annual basis regarding: (i) company-wide compensation programs and practices; (ii) all aspects of the remuneration of the Corporation's executive officers; and (iii) equity-based plans and any material amendments thereto.

Compensation Objectives

The objectives of the Corporation's executive compensation arrangements, the Corporation's executive compensation philosophy and the application of this philosophy to the Corporation's executive compensation arrangements as well as those relating to compensation of directors is set out below. When determining the compensation arrangements for the Named Executive Officers, the Compensation Committee expects to consider the objectives of: (i) retaining an executive critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Corporation's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to the business in general.

Elements of 2017 Compensation of Named Executive Officers

For 2017, the Corporation believes that a substantial portion of the total compensation for the Named Executive Officers should be variable and tied to the Corporation's performance to align their compensation interests with the achievement of the Corporation's business objectives and the long-term investment interests of the Corporation's shareholders. At the same time, the Corporation strives to attract and retain high caliber executives through the measured use of competitive fixed compensation. The Corporation's program of both fixed and at risk compensation is offered at levels that the Corporation believes are competitive within its industry and appropriate for 2017.

The Corporation believes the compensation program, when evaluated on a component by component basis and in total, effectively achieves the Corporation's compensation philosophy and objectives described above. The following table summarizes the key components of the Corporation's compensation program for 2017:

Component	Primary Purpose and Objectives
Base Salary	Base salary compensates an individual in cash for his or her responsibilities, skills, experience and performance. The levels of base salaries are intended to attract and retain a high quality management team, especially when combined with the other components of the Corporation's compensation program. The levels of base salary for the Named Executive Officers are designed to reflect each executive officer's scope of responsibility, accountability and industry experience.
Annual Incentive Program Awards	The Corporation's annual incentive program awards are used to align the Named Executive Officers' compensation interests with the overall business objectives and the short term investment interests of the Corporation's shareholders by rewarding the Named Executive Officers for annual performance. Corporate goals were established and approved by the Board in March 2017 and performance is evaluated after year end. Payments with respect to the 2017 annual incentive program awards were made in cash in the first quarter of 2018.
Long Term Incentive Program Awards	Equity awards under the Legacy Plan generally align the Corporation's executives' compensation interests with the long-term investment interests of the Corporation's shareholders and promote retention. The Legacy Plan authorized grants of equity-based compensation in the form of share options, restricted share units and performance share units. The Corporation has adopted the Stock Option Plan and intends to grant Corporation Options pursuant to the Stock Option Plan going forward.
Health and Welfare Benefits	Broad based and customary health and welfare benefits provide for basic health, life and income security needs of the Named Executive Officers and their dependents. These health and welfare benefits are competitive with industry practices and help attract and retain executives.

<u>Component</u>	<u>Primary Purpose and Objectives</u>
Retirement Benefits	The Corporation's Canada Group Retirement Savings Plan for the Corporation's Canadian based Named Executive Officers and the Corporation's 401(k) plan for the Named Executive Officers who reside in the United States encourage and reward long-term service by providing market based benefits for retirement. All employees who are Canadian residents are eligible to participate in the Corporation's Canada Group Retirement Savings Plan and all U.S. based employees are eligible to participate in the Corporation's 401(k) plan.

2017 Base Salaries

In March 2017, the board of directors of Neo Cayman approved a 2% cost of living increase to the base salary of all Named Executive Officers, except Geoff Bedford and Rahim Suleman, as Mr. Bedford's salary had been adjusted in September 2016. Mr. Suleman joined Neo in January 2017.

2017 Annual Incentive Program Awards

The annual incentive for a Named Executive Officer is calculated by multiplying base salary by a target incentive percentage ranging from 60 to 84% of base salary. The following multiples of base salary are provided for in the employment agreements for each of the Named Executive Officers:

	<u>Annual Incentive Target Percentage</u>
Geoff Bedford	83.3%
Rahim Suleman	65%
Kevin Morris	65%
Shannon Song	65%
Jeff Hogan	60%

The annual incentive for the President and Chief Executive Officer, Chief Financial Officer and Chief Operating Officer was approved by the board of directors of Neo Cayman and is dependent upon corporate and personal performance, measured against the annual business plan approved by the board of directors of Neo Cayman. The annual incentive pay for other Named Executive Officers is recommended to the Board by the Chief Executive Officer and is dependent upon corporate, business segment and personal performance and measured against the annual business plan.

Metrics and Goals. In March 2017, the board of directors of Neo Cayman approved the 2017 Annual Incentive Plan Goals consisting of the following three metrics for both corporate and business segments: Health, Environment, Safety and Security ("**HESS**"); Adjusted EBITDA vs. Budget; and Return on Capital Employed ("**ROCE**") vs. Budget. Each of these metrics is discussed in more detail below:

HESS – 10%. The components of this metric will be the average of LTIR ("**Lost Time Incident Rate**") and TRIR ("**Total Reportable Incident Rate**");

Adjusted EBITDA vs. Budget – 80%. Adjusted EBITDA is defined in the 2017 budget as operating profit plus non-cash items and other selected items, to be computed in a manner consistent between budget and actuals; and

ROCE vs. Budget – 10%. ROCE to be defined as Adjusted EBITDA divided by capital employed, subject to certain adjustments as agreed upon by the board of directors of Neo Cayman, to be computed in a manner consistent between budget and actual.

The board of directors of Neo Cayman also approved the following weightings for the Named Executive Officers:

	Corporate	Business Segment / Department	Personal Performance	Total
Chief Executive Officer / Chief Financial Officer / Chief Operating Officer	90%	—	10%	100%
Business Segment Executive Vice President ...	45%	45%	10%	100%

Other Compensation – The Legacy Plan

The Named Executive Officers, other than Ms. Song, were entitled to participate in the Legacy Plan, the purpose of which was to align the interests of participants with those of shareholders of Neo Cayman providing incentive compensation opportunities tied to performance of the securities of Neo Cayman. The Legacy Plan authorized the granting of equity-based compensation in the forms of options to purchase ordinary shares of Neo Cayman ("**Legacy Options**"), restricted share units ("**Legacy RSUs**"), and two series of performance units ("**Legacy PSUs**" and "**Legacy Additional PSUs**", respectively). As of the date of this Circular, the following equity-based awards are outstanding under the Legacy Plan:

Group	Legacy Options ⁽¹⁾	Legacy RSU ⁽¹⁾	Legacy PSU ⁽¹⁾	Legacy Additional PSU ⁽¹⁾
Executive Officers and Employees.....	1,012,036	269,876	843,588	168,920
Directors	86,672	10,112	72,228	14,448

Note:

(1) The numbers reflected in this table indicate number of Common Shares underlying such awards, after giving effect to the Arrangement.

The number of Common Shares issuable on exercise of the Legacy Options and the exercise price per share have been adjusted to apply the exchange ratio applied in connection with the Arrangement. One-quarter of the Legacy Options vest on each of the first four anniversaries of the grant date, beginning on September 1, 2017. Upon the occurrence of a Liquidity Event (defined for the purposes of the Legacy Plan to be the consummation of a transaction or series of related transactions that results in the Oaktree and its affiliates ceasing to own at least 51% of the outstanding shares of the Corporation), the options vest immediately in full, subject to the participant's continued services to the Corporation through the completion of the Liquidity Event.

One-quarter of the Legacy RSUs vest on each of the first four anniversaries of the grant date, beginning on September 1, 2017. Upon the occurrence of a Liquidity Event, the Legacy RSUs vest immediately in full, subject to the participants continued services to the Corporation through the completion of the Liquidity Event.

Upon the occurrence of a Liquidity Event, one-third of the Legacy PSUs vest immediately provided that the total consideration received by the Corporation's shareholders in connection with such Liquidity Event exceeds an enumerated amount, an additional third will vest provided that Oaktree realized an internal rate of return of at least 10% upon such Liquidity Event, and the remaining one-third will vest provided that the Oaktree has realized an internal rate of return of at least 15% upon such Liquidity Event, in each case subject to the participant's continued service to the Corporation through the completion of the Liquidity Event.

Upon the occurrence of a Liquidity Event prior to December 31, 2018, one-half of the Legacy Additional PSUs vest and the remaining one-half will vest provided that the total consideration received by the Corporation's shareholders in connection with such Liquidity Event exceeds an enumerated amount, in each case subject to the participant's continued service to the Corporation through the completion of the Liquidity Event.

The holders of Legacy RSUs, Legacy PSUs and Legacy Additional PSUs are entitled to receive grants in tandem to each such Legacy RSU, Legacy PSU and Legacy Additional PSU, a dividend equivalent (a "**Dividend Equivalent**") which entitles the holder thereof to accrue payments equal to a cash dividend declared on the Neo Cayman ordinary shares underlying each such Legacy RSU, Legacy PSU and Legacy Additional PSU and subject to the vesting of the corresponding Legacy RSU, Legacy PSU or Legacy Additional PSU, is payable in ordinary shares of Neo Cayman. The Corporation has agreed to issue the equivalent number of Common Shares (based on a five day volume weighted average price ending on the day immediately preceding to date of issuance).

In the event of a stock dividend, extraordinary cash or stock dividend or other distribution or payment with respect to the ordinary shares of Neo Cayman, among other events, the Legacy Plan provides that the board of directors of Neo Cayman shall, in good faith to be equitable to the holders of the Legacy RSUs, Legacy PSUs, Legacy Additional PSUs and Legacy Options (to prevent, among other things, dilution or enlargement of the rights of the holders), make appropriate adjustments to the applicable securities, underlying securities and/or the exercise prices of the respective awards.

The Corporation has assumed the obligation to issue Common Shares underlying the securities outstanding pursuant to the Legacy Plan. The number of Common Shares to be issued pursuant to the terms of the Legacy Options, Legacy RSUs, Legacy PSUs and Legacy Additional PSUs will reflect the application of the exchange rate applied on the completion of the Arrangement.

Other Compensation – The LTIP

On May 9, 2018, the Board adopted a Long-Term Incentive Plan (the "**LTIP**"), the purposes of which are to foster and promote the long-term financial success of the Corporation and materially increase the value of the Corporation by: (i) strengthening the Corporation's capability to develop, maintain and direct its management personnel; (ii) motivating management performance through long-term performance-related compensation; (iii) promoting greater alignment of interests between management and shareholders in creating long-term shareholder value; and (iv) enabling management to participate in the long-term growth and financial success of the Company.

The LTIP authorizes the granting of equity-based compensation in the form of share appreciation rights ("**SARs**"), restricted share units ("**RSUs**"), performance-based units ("**PSUs**"), and other awards. All awards granted under the LTIP will be settled in cash. As of the date hereof, no awards have been granted.

Any person who is an officer, employee, contractor, supplier or consultant of the Corporation or any of its affiliates may participate in the LTIP. The LTIP is administered by the Compensation Committee, who have the authority to determine the terms, conditions and limitations, including setting the vesting conditions and vesting schedules, for awards granted under the LTIP.

The period during which a SAR may be exercised shall be determined by the Compensation Committee at the time of the grant, and shall be no less than one year and not more than 10 years, subject to termination in accordance with the provisions of the LTIP.

RSUs must vest no later than the third anniversary of the last day of the specified year in respect of which the RSUs were granted, and must be paid by the Corporation within the earlier of 90 days of vesting, and the date required to enable the participant to benefit from the salary deferral rules under applicable income tax law. The Compensation Committee has the authority to determine performance goals and performance cycles for performance-based awards.

On termination of employment for cause, all of the participant's previously unexercised SARs terminate. On termination of employment, whether or not for cause, all unvested RSUs and PSUs will be forfeited. Upon death, all of a participant's vested SARs can be exercised up to the earlier of (i) one year following the date of death or (ii) the expiry date of the SAR; the vesting date of PSUs will be adjusted to the date of death and the applicable performance goals pro-rated to the date of death; a pro-rated portion of the unvested RSUs will become exercisable, subject to certain conditions for US participants. Upon termination of employment due to the disability of a participant, SARs remain exercisable; all PSUs and RSUs shall continue to vest and to be exercisable in accordance with the original schedule, as if the disability had not occurred, subject to certain conditions for US participants. Upon termination of employment other than for cause, death or disability, all of the participant's vested SARs can be exercised until the

earlier of (i) 90 days following the effective date of termination of employment, or (ii) the expiry date, after which all previously unexercised SARs terminate.

In the event of (i) a change of control of the Corporation (as defined in the LTIP) and (ii) within 24 months of such change of control, a participant's employment is terminated (a) by the Corporation or an affiliate other than for cause, or (b) by the participant for good reason, such that the participant is no longer eligible to participate in the LTIP:

(A) such participant may exercise each SAR then held by him to the extent that he was entitled to do so at the time of such termination on the earlier of (i) the 90th day (or such later day as the Committee, in its sole discretion, may determine) following the effective date of the termination of employment of such participant, or (ii) the expiry date, after which all unexercised SARs terminate;

(B) the Corporation must give a written notice to the participant advising him that the termination date of any applicable performance cycle not yet complete shall be accelerated to end upon the earlier of (i) the 90th day (or such later day as the Compensation Committee, in its sole discretion, may determine) following the effective date of the termination of employment of such participant, or (ii) the expiry date; (and in calculating the PSUs earned, the performance goals will be pro-rated to such date), and the participant will be entitled to receive the payment so calculated; and

(C) the Corporation must give a written notice to the participant advising him that the vesting date of all unvested RSUs credited to him shall be accelerated and will thereafter vest upon the earlier of (i) the 90th day (or such later day as the Compensation Committee, in its sole discretion, may determine) following the effective date of the termination of employment of such participant, or (ii) the expiry date; and the participant will be entitled to receive the settlement of the RSUs in respect thereof so calculated.

Notwithstanding the provisions in an award and notwithstanding any other provision contained in the LTIP, the Compensation Committee or the Board has the power to accelerate (i) the time at which an award may first be exercised or the time during which an award or any part thereof will vest in accordance with the LTIP, and (ii) the termination date of any performance cycle not yet complete (and, as a result, the vesting date of all PSUs associated therewith).

In the event of a stock split, stock dividend, combination of shares, subdivision, consolidation or reclassification of shares, or other change in capitalization affecting the outstanding Common Shares, (i) the SARs base price of the outstanding SARs shall be increased or decreased proportionately, (ii) the aggregate number of PSUs earned or to be earned shall be increased or decreased proportionately, and (iii) the aggregate number of RSUs shall be increased or decreased proportionately. The Compensation Committee has the discretion to make appropriate adjustments to the PSUs to exclude the effect of extraordinary, special and non-recurring transactions, events or items, including, but not limited to, cash dividends and distributions, capital gains or losses, effects of litigation and settlements, acquisitions, divestitures, recapitalizations and reorganizations, and may determine to not take into account extraordinary or non-recurring accounting charges and items, insofar as they may otherwise affect the results under the applicable performance goals. In the event that the Corporation is reorganized or merged or consolidated or amalgamated with another corporation or entity and the LTIP and the awards made thereunder continue to be in effect, appropriate provisions shall be made for the continuance of the outstanding SARs, RSUs and PSUs and to prevent their dilution or enlargement.

No participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Common Shares.

Subject to the following sentence, the Board has the authority to amend, alter or discontinue the LTIP in any respect, but no amendment, alteration or discontinuation shall be made which would impair in any material respect the rights of a participant under an award theretofore granted without the participant's consent, except such an amendment made to cause the LTIP to comply with applicable law. In addition, no such amendment shall be made without the approval of the Corporation's shareholders to the extent such approval, if any, is required by applicable law or by any agreement with or the requirements of any stock exchange or market on which the Common Shares are then listed. Currently, no shareholder approval is required.

Risks Associated with Compensation Policies and Practices

The oversight and administration of the Corporation's executive compensation program requires the Compensation Committee to consider risks associated with the Corporation's compensation policies and practices. Potential risks associated with compensation policies and compensation awards are considered at annual reviews and also throughout the year whenever it is deemed necessary by the Compensation Committee.

The Corporation's executive compensation policies and practices are intended to align management incentives with the long-term interests of the Corporation and its shareholders. In each case, the Corporation seeks an appropriate balance of risk and reward. Practices that are designed to avoid inappropriate or excessive risks include: (i) financial controls that provide limits and authorities in areas such as capital and operating expenditures to mitigate risk taking that could affect compensation; (ii) balancing base salary and variable compensation elements; and (iii) spreading compensation across short and long-term programs.

Clawback Policy

The Board has adopted an incentive compensation clawback policy that allows the Corporation to recover, from current and former executives, certain incentive compensation amounts awarded or paid to individuals if the individuals engaged in fraud or willful misconduct that led to inaccurate financial results reporting, regardless of whether the misconduct resulted in a restatement of all or part of the Corporation's financial statements.

Stock Option Plan and Stock Options

As of the date hereof, the Corporation has 39,904,477 Common Shares issued and outstanding. This means that a maximum of 2,793,313 Options are currently available to be granted pursuant to the Stock Option Plan (less the number of outstanding awards issued under the Legacy Plan). As a rolling stock option plan, 7% of the outstanding

Common Shares at any given time are available for options. In the event that an Option is exercised, cancelled, repurchased, expires unexercised, or is terminated in accordance with the Stock Option Plan prior to the exercise thereof, the Common Shares that were reserved for issuance in connection with such Option will be returned to the Stock Option Plan and will be available for reservation pursuant to a new grant of Options under the Stock Option Plan.

Stock Option Plan Terms

The Stock Option Plan authorizes the Board to grant stock options to the officers, directors, full-time employees and eligible consultants of the Corporation on the following terms:

Grant of Options

Subject to the terms of the Stock Option Plan and after reviewing any recommendations from the Compensation Committee, the Board selects the participants to whom options will be granted, the number of Common Shares to be optioned to each of them, the date or dates on which such options will be granted and the terms and conditions attaching to such options. The aggregate number of Common Shares reserved for issuance pursuant to all options granted to any one optionee shall not exceed 5% of the number of Common Shares outstanding on a non-diluted basis at the time of such grant. In addition, the issuance of Common Shares on the exercise of options to insiders (as such term is defined by the TSX Corporation Manual) pursuant to the Stock Option Plan and all other share compensation plans, within any one-year period shall not exceed 10% of the issued and outstanding shares; and the number of Common Shares issuable on exercise of Options held by Insiders, at any time, pursuant to the Stock Option Plan and all other share compensation plans, shall not exceed 10% of the issued and outstanding shares. The maximum number of Common Shares issuable on exercise of Options held by non-employee directors shall not exceed 1% of the issued and outstanding Common Shares. The maximum number of Common Shares issuable on exercise of Corporation Options held by non-employee directors shall not exceed 1% of the issued and outstanding Common Shares less the aggregate number of Common Shares reserved for issuance to such non-employee directors under any other share compensation arrangement and the total annual grant to any one non-employee director cannot exceed a grant value of \$100,000 (based upon a Black-Scholes calculation) and the grant value from all other share compensation arrangements shall not exceed \$150,000 per year per non-employee director in the aggregate.

Exercise Price

The Board shall fix the exercise price of an option which may not be lower than the volume weighted average trading price of the Common Shares for the five trading days immediately preceding the date of the grant of such options.

Term and Vesting Period of Options

Options are exercisable for periods of more than one year and less than seven years from the date the option was granted. Subject to the terms of the Stock Option Plan, the Board shall specify at the time of grant of options, the vesting period which is the maximum number of Common Shares that may be exercisable by such optionee in each year or other period during the term of the options. Absent such determination by the Board, the maximum number of Common Shares that may be exercised by an optionee during each of the first three years of the term of the Corporation Options shall be equal to one-third of the number of such Corporation Options granted.

Lapse of Options

In the event of the discharge of an optionee from the Corporation or a subsidiary for a wilful and substantial breach of such optionee's duties, all options granted to such optionee under the Stock Option Plan shall immediately cease and terminate. In the event of the resignation or termination of an optionee (other than for a wilful and substantial breach of such optionee's duties), such optionee may exercise each option then held by such optionee to the extent that such optionee was entitled to do so at the time of such resignation for a period of 90 days (or such later date as the Board may determine) following the effective date of such resignation (or such later date as the Board in its sole discretion may determine) or the expiry date of such options, whichever is earlier. In the event of the death of an optionee while a service provider, all options held by such optionee at the time of death which were exercisable at the time of death may be exercised by the optionee's legal representatives at any time until the first anniversary of the date

of death. In the event of a take-over, arrangement (such as a merger, amalgamation or other similar form of business combination transaction), change in control or the sale of substantially all of the assets of the Corporation, options may be exercised within certain fixed time limits.

Each Option granted under the Stock Option Plan is non-assignable by the optionee.

Amendments to Stock Option Plan

The Board may amend, vary or discontinue the Stock Option Plan at any time subject to certain regulatory restrictions as well as certain restrictions contained in the Stock Option Plan. Certain amendments or variances specified in the Stock Option Plan as not requiring shareholder approval are, along with the discontinuance of the Stock Option Plan, nevertheless subject to the approval thereof by any stock exchanges on which the Common Shares are listed and posted for trading. In addition, certain types of amendments such as, reductions in the exercise price of outstanding options (except in certain cases), extensions of the term of an option (except in limited circumstances), and increases in the limit on the number of securities issued or issuable to insiders pursuant to equity compensation plans, also require shareholder approval.

Employee Agreements and Termination and Change of Control Benefits

Each of the Named Executive Officers has employment agreements with Neo Cayman or a subsidiary thereof, that contain termination payment provisions. These agreements are reviewed from time to time and amended accordingly subject to Board approval.

The employment agreement provides that Mr. Bedford will be employed as President and Chief Executive Officer of Neo Cayman and its affiliates. The Corporation and Mr. Bedford have agreed to amend this agreement to provide for the Corporation to become the entity employing Mr. Bedford.

If Neo ULC terminates Mr. Bedford's employment as a result of the death or disability of Mr. Bedford or willful failure to properly perform his duties, Neo ULC shall thereupon pay to him, in a single payment within 30 days of the date of termination, accrued salary, benefits, perquisites and vacation to the date of termination. The Corporation estimates that if Mr. Bedford's employment had been terminated on December 31, 2017 for the reasons described above, no further payments would have been made to Mr. Bedford beyond what is due to him up to such date.

Upon the termination by Neo ULC of the employment of Mr. Bedford other than for cause or Mr. Bedford terminates his employment for good reason, Neo ULC shall thereupon pay to him (i) in a single payment within 30 days of the date of termination, accrued vacation pay and perquisites, (ii) over a period of 24 months, an amount equal to twice his base salary, and (iii) employee benefits (other than short and long-term disability benefits) for the 24 month period set out in (ii) above. The Corporation estimates that if Mr. Suleman's employment had been terminated on December 31, 2017 for the reasons described above, no further payments would have been made to Mr. Suleman beyond what is due to him on such date.

Upon the termination by Neo Cayman of the employment of Mr. Suleman other than for cause or Mr. Suleman terminates his employment for good reason, Neo Cayman shall thereupon pay to him (i) in a single payment within 30 days of the date of termination, accrued vacation pay and perquisites, (ii) over a period of up to 24 months, an amount equal to 18 months of his base salary plus one additional month of salary for every full year of service, and (iii) employee benefits (other than short and long-term disability benefits) for the 24 month period set out in (ii) above. The Corporation estimates that if Mr. Suleman's employment had been terminated on December 31, 2017 for any of the reasons described above, he would be entitled to an aggregate payment of up to approximately \$571,000 (excluding supplementary benefits and other perquisites).

If, during the 24 months following a "change of control" (as defined in Mr. Suleman's employment agreement), Neo ULC terminates Mr. Suleman's employment, or Mr. Suleman terminates his employment for good reason, Neo ULC shall pay to him a lump sum "change of control" payment equivalent to the aggregate of (i) twice his then current base salary; (ii) the targeted bonus amount for the applicable year, (iii) in a single payment within 30 days of the date of termination, accrued vacation pay and perquisites, and (iv) employee benefits (other than short and long-term disability benefits) for the 24 month period following the date of retirement. Director Compensation

The directors' compensation program is designed to attract and retain qualified individuals to serve on the Board. Non-executive directors are paid an annual retainer fee, with additional amounts paid to each chair of the Board, Compensation Committee and Audit Committee. The Board is satisfied that its fee structure is reasonable for a company that operates in 10 countries and shares many of the complexities of other global multi-national organizations having significantly higher market capitalizations.

Deferred Share Units

On May 9, 2018, the Corporation established a Directors Share Unit Plan (the "**DSU Plan**") for members of the Board of Directors. Under the DSU Plan, the Compensation Committee determines, once a year, what portion of the directors' annual remuneration shall be paid as Deferred Share Units ("**DSU**"). DSUs are fully vested upon issuance, and accumulate dividend equivalents in the form of additional DSUs based on the dividends paid on the Common Shares. DSUs are redeemable for cash only following retirement from the Board of Directors or death of the director. The value of the DSU when converted to cash will be equivalent to the market value of the Common Shares at the time the conversion takes place. The Corporation expects to grant the first DSUs after the Meeting. DSUs will then continue to be granted on the last day of each quarter to each of the non-executive directors cash equivalent amounts of US\$18,750 per quarter (US\$25,000 per quarter for the Board Chair), such payments to be reviewed on a regular basis by the Compensation Committee.

The following table sets out the fee structure of the Board of Directors in 2018:

(all figures in US\$)	Cash Portion	DSU Portion	Total
Board Chair Retainer	140,000	100,000	240,000

CORPORATE GOVERNANCE OF THE CORPORATION

Statement of Corporate Governance Practices

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (the "**Guidelines**") requires certain disclosure regarding the corporate governance practices of the Corporation. The Corporation is pleased to make the following disclosure regarding its corporate governance policies.

The Corporation's articles of incorporation provide that its Board be comprised of a minimum of three and a maximum of 15 directors. In accordance with the OBCA, the Board may appoint one or more additional directors who shall hold office until the close of the next annual meeting of shareholders, provided that the total number of directors so appointed may not exceed one-third of the number of directors elected at the previous annual meeting of shareholders. Further particulars of the process by which compensation for the executive officers is determined is provided under "*Executive Compensation – Compensation Discussion and Analysis*".

The Corporation's Board is currently comprised of nine directors: Constantine Karayannopoulos, Eric Noyrez, Geoff Bedford, Nicholas Basso, Brook Hinchman, Edgar Lee, Claire Kennedy, Aman Kumar and Emily Stephens.

The Corporation currently does not have a nominating committee and the Board as a whole identifies new candidates for the Board where and when appropriate, who have expertise in an area of strategic importance to the Corporation, a willingness to serve on the Board and any of its committees and the ability to devote sufficient time to Board service.

Board of Directors Mandate

The Board holds regularly scheduled meetings as well as ad hoc meetings from time to time.

The Board recognizes the importance of independent leadership on the Board, and has appointed Eric Noyrez, independent director, as Lead Director. Orientation and Continuing Education

New directors of the Corporation will participate in an initial information session on the Corporation in the presence of its senior executive officers to learn about, among other things, the business of the Corporation, its financial situation and its strategic planning. In addition, new directors will be furnished with appropriate documentation, providing them with information about, among other matters, the corporate governance practices of the Corporation, the structure of the Board and its committees, the Corporation's history, its commercial activities, its corporate organization, the charters of the Board and its committees, the Corporation's articles of incorporation and by-laws, the Code of Conduct (as defined below) and other relevant corporate policies.

The Corporation will encourage all directors to attend continuing education programs and intends to facilitate such continuing education of its directors by providing them with information on upcoming courses and seminars that may be relevant to their role as directors or hosting brief information sessions during Board meetings by invited external advisors. In addition, the Corporation's management will periodically make presentations to the directors on various topics, trends and issues related to the Corporation's activities during meetings of the Board or its committees, which will be intended to help the directors to constantly improve their knowledge about the Corporation and its business.

Ethical Business Conduct

The Board has adopted a written Code of Conduct (the "**Code of Conduct**") that applies to all of its directors, officers and employees, as well as its direct and indirect subsidiaries. The objective of the Code of Conduct is to provide guidelines for demonstrating the highest standard of business conduct and enhancing its reputation for honesty, integrity and the faithful performance of undertakings. The Code of Conduct addresses maintaining a positive work environment, conflicts of interest, confidentiality, use and protection of the Corporation's assets and inventions, use of the Corporation's email and Internet services, financial integrity, compliance with laws and reporting misconduct. As part of its Code of Conduct, any person subject to the Code of Conduct is required to avoid any activity, interest (financial or otherwise) or relationship that would create or appear to create a conflict of interest.

The directors are responsible for monitoring compliance with the Code of Conduct, for regularly assessing its adequacy, for interpreting the Code of Conduct in any particular situation and for approving changes to the Code of Conduct from time to time. As part of the Board monitoring compliance with the Code of Conduct, the Corporation has established procedures by which employees can make a confidential report of wrongdoing or suspected wrongdoing through a third party Corporation. The Board receives and reviews such reports on a regular basis.

Directors and executive officers are required by applicable law and the Corporation's corporate governance practices and policies to promptly disclose any potential conflict of interest that may arise. If a director or executive officer has a material interest in an agreement or transaction, applicable law and principles of sound corporate governance require them to declare the interest in writing and where required by applicable law, to abstain from voting with respect to such agreement or transaction.

A copy of the Code of Conduct may be obtained free of charge by contacting the Corporation and is available for review under the Corporation's profile on the SEDAR website at www.sedar.com.

The Corporation has also adopted a disclosure policy, which complements the obligations of its directors, officers and employees under the Code of Conduct.

Assessments

The Board does not formally review the contribution and effectiveness of the Board, its members or committees. The Board believes that its size facilitates an informal review process through discussion and evaluation between the Chair of the Board, the Lead Director, the Chief Executive Officer and the Chair of the Compensation Committee.

Majority Voting Policy

In accordance with the requirements of the TSX, the Corporation has adopted a majority voting policy in director elections that will apply at any meeting of its shareholders where an uncontested election of directors is held. Pursuant to this policy, if the number of proxy votes withheld for a particular director nominee is greater than the votes for such director, the director nominee will be required to submit his or her resignation as a director to the Chair of the Board promptly following the applicable shareholders' meeting. Following receipt of the resignation, the Board will consider whether or not to accept the offer of resignation, and will do so absent exceptional circumstances. Within 90 days following the applicable shareholders' meeting, the Board shall publicly disclose its decision whether or not to accept the applicable director's resignation, including the reasons for rejecting the resignation, if applicable. A director who tenders his or her resignation pursuant to this policy will not be permitted to participate in any meeting of the Board at which the resignation is considered.

Board Removal

The Corporation has not adopted term limits or other mechanisms of Board renewal for directors of the Corporation. The Board believes that the need to have experienced directors who are familiar with the business of the Corporation must be balanced with the need for renewal, fresh perspectives and a healthy skepticism when assessing management and its recommendations. In addition, as mentioned above, the Board undertakes an assessment process that evaluates its effectiveness.

While term limits can help ensure the Board gains fresh perspective, the Board believes that term limits have the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Corporation and its operations and thereby provide an increasing contribution to the Board as a whole.

Board and Executive Officer Diversity

The Corporation recognizes and embraces the benefits of having diversity on the Board and in its senior management. Presently, the Corporation has two female directors, representing approximately 22% of the directors of the Corporation.

The Corporation also recognizes that the Board and its senior management appointments must be based on performance, ability, merit and potential. Therefore, the Corporation ensures a merit-based competitive process for appointments. The Corporation's commitment to diversity will include ensuring that diversity is fully considered by the Board in identifying, evaluating and recommending Board appointees/nominees. Accordingly, the Corporation has not adopted a diversity policy at this time.

With respect to the Board composition, as appropriate, the Board will: (i) assess the effectiveness of the Board appointment/nomination process at achieving the Corporation's diversity objectives; and (ii) consider and, if determined advisable, recommend for adoption, measurable objectives for achieving diversity on the Board. At any given time, the Board may seek to adjust one or more objectives concerning diversity and measure progress accordingly.

By-Laws

Advance Notice Provisions

The by-laws of the Corporation include certain advance notice provisions with respect to the election of directors (the "**Advance Notice Provisions**"). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings; (ii) ensure that all shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. Only persons who are nominated by shareholders in accordance with the Advance Notice Provisions will be eligible for election as directors at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors.

Under the Advance Notice Provisions, a shareholder wishing to nominate a director would be required to provide the Corporation prior notice, in the prescribed form, within the prescribed time periods. These time periods include: (i) in the case of an annual meeting of shareholders (including annual and special meetings), not less than 30 days prior to the date of the annual meeting of shareholders; provided, that if the first public announcement of the date of the annual meeting of shareholders (the "**Notice Date**") is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting of shareholders (which is not also an annual meeting) called for any purpose which includes electing directors, not later than the close of business on the 15th day following the Notice Date, provided that, in either instance, if notice-and-access (as defined in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*) is used for delivery of proxy-related materials in respect of a meeting described above, and the Notice Date in respect of the meeting is not less than 50 days prior to the date of the applicable meeting, the notice must be received not later than the close of business on the 40th day before the applicable meeting.

Forum Selection

The by-laws of the Corporation include a forum selection provision in its by-laws that provides that, unless the Corporation consents in writing to the selection of an alternative forum, the Superior Court of Ontario (Commercial List), Canada and the appellate courts therefrom will be the sole and exclusive forum for: (i) any derivative action or proceeding brought on the Corporation's behalf; (ii) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any of the Corporation's directors, officers, or other employees to the Corporation; (iii) any action or proceeding asserting a claim arising pursuant to any provision of the applicable corporate laws or the articles of incorporation or the by-laws of the Corporation (as either may be amended from time to time); or (iv) any action or proceeding asserting a claim otherwise related to the relationships among the Corporation, its affiliates and their respective shareholders, directors and/or officers, but excluding claims related to the business carried on by the Corporation or its affiliates and their respective shareholders, directors and/or officers. The forum selection provision also provides that the Corporation's securityholders are deemed to have consented to personal jurisdiction in the Province of Ontario and to service of process on their counsel in any foreign action initiated in violation of the foregoing provisions.
